

GUIDE TO TIERED CAKE PRICING AN PORTIONS

In addition to cake size, price is determined by the complexity of the decoration, a reflection of the time taken to achieve the perfect finish to your cake.

All orders require consultations to capture your ideas and produce the unique masterpiece to mark your occasion.

Prices below are preliminary estimates for a plain iced cake. Final price provided after the consultation.

We will do our utmost to work within your budget, it's your celebration and we are here to make it a happier occasion.

Round Sponge

- 2 Tier 8"12" - approx 76 portions £250
- 3 Tier 6"8"12" - approx 90 portions £320
- 4 Tier 6"8"12"14" - approx 158 portions £400

Round Fruit

- 2 Tier 8"12" - approx 140 portions £310
- 3 Tier 6"8"12" - approx 160 portions £400
- 4 Tier 6"8"12"14" - approx 300 portions £510

Portion Size

It largely depends on how you cut the cake, but here is our general guide to portioning:

Sponge is cut into 2" by 1" portions whilst fruit cake is generally cut in to 3 x 1 x 1 inch portions.

Cake Sizes
